12. Click "Join with Video"

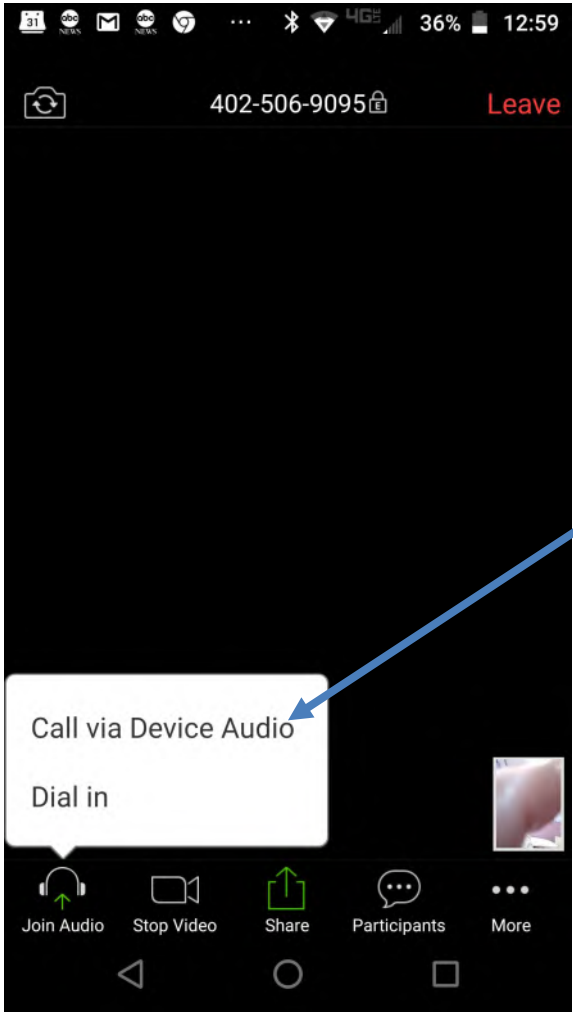

Please wait, the meeting host will let you in soon

Think Whole Person Healthcare's Personal Meeting Room

13. You are now fully setup in the Zoom app. If it is not your designated appointment time, you may close the app and return to Step 6 ten minutes prior to your appointment time.

14. When the provider or their team is ready, you will enter the Zoom Room. Click "Allow Zoom to record audio?"

15. Click “Call via Device Audio” to use your device for audio. You are now in your Telehealth session.
